Orlando Terrorist Attack against the LGBT Community

Orlando, Florida –The Democratic Hispanic Caucus of Florida condemns the act of Domestic Terrorism that has just occurred inside the Pulse Nightclub in Orlando, against the LGBT Community. Many of the victims of this terrible tragedy are from the Latino LGBT community and we send our condolences to the family and friends of all the victims who perished in this senseless act of Hate.

We pray for all the victims that are still hospitalized and call on the state legislature to implement commonsense gun reform to prevent future acts of violence on humanity.

We must address gun laws that allow individuals access to high powered assault rifles to commit these horrendous acts of terror in America.

We suggest that everyone go to www.oneblood.org or call 1-888-9DONATE to find out where you can give blood in your areas.

In solidarity,

Vivian Rodriguez

President

Democratic Hispanic Caucus of Florida
